

Gen Z Slang Version: Chillin', yo, we got this PDF (that means Portable Document Format) docs on compy (computer is the short form). View 'em as y'want since ur PC has tha reader already. Sometimes we see a symbol like a house or a pen for PDF files that are forms - cool eh? It's from this dept called Yukon Education. Their address is in Yukon, Canada, where the postal code is 'Y1A 2C6'. They have an official website at <http://www.education.gov.yk.ca/>.

Remember, they use a lot of slang and short forms, so here's the translation:
